About Me

As a UGC Creator my goal is to offer high quality content that promotes brands in alignment with my interests.

I look for conscious brands that care about sustainability and high quality products.

I love introducing products and services that are of high quality and keep full integrity with my users by only sharing items I have tried and genuinely suggest. **I focus on promoting brands that are in the health/wellness, beauty, travel, and fashion space.**

The energy I bring to my content is unique and positive. I care about aesthetics and put my best foot forward in all of my creations.

CREATOR PROCESS

step 1

request + receive samples

once the samples are requested, I notify the brand once they are received. as a creator with >5000 followers, i am invited to request samples or shipped them directly.

step 2

create + post within agreed time frame

for paid videos, I can create content within 7 days of receiving the product unless otherwise discussed & agreed upon. if brand requests approval for videos, they are submitted via email.

step 3

payment + ad codes/links

once posted, the content will be sent via links to the brand with generated ad codes for boosting if preferred. once this is done, I expect payment to be processed within 30 days of receiving the links to videos or sooner.

FAQ

Can I post your video on my/brand's page?

Yes. I can either create shoppable content and post on my page or you can have access to the **final** video I have edited/created for your product.

What about a long-term partnership?

Start with package 3 for 5 videos and we can continue an ongoing partnership from there. If both parties are satisfied with the work, we can further our partnership at potential discounted rates.

Can you link my item in your showcase for free?

I only link items in my showcase that I have tried and genuinely would suggest to my closest friends/families. This helps me keep my integrity as a creator. If I agree to have your item in my showcase, it is because I have used it and love it :)

How much do you charge for an Instagram story post?

Typically, I post in my story videos that have been created for tiktok and link them directly to the video. I also highlight each of my story posts as affiliate links on my instagram page, so the rates will be the same as my packages unless otherwise discussed via email.
